

CREATING A CULTURE OF INNOVATION

Change is imperative. As the pace of change continues to accelerate, organisations across the Education Services industry are seeking the way forward. Educational institutions, must create the agility and digital capacity to compete with the upcoming challenges we are facing in the swiftly moving times and owing to the pandemic. Creating an innovation culture is not a project or task, it is actually an attitude that needs to be developed among all the involved. At Rawal Institutions, we are trying to inspire a cultural change which is based on consideration of foundational elements of innovation relevant to the institution. This includes continuous monitoring of what is happening in the education sector and allied areas; and adapting the required changes in our own system.

LEARNING DURING LOCKDOWN

Seminars, workshops and conferences hold great importance in the life of a student. They provide a platforms for students not only to learn new aspects, others perspectives and latest information, but also a good way of networking. RIET provided avenues for online mode to enable the students for attending seminars, workshops and conferences. These helped them to go beyond their textbooks and continue their learning.

LEARNING DURING LOCKDOWN

The onset of COVID 19 pandemic has changed education forever, in many ways. With the physical closure of educational institutions across the globe, there was incessant adoption of technology in mode of delivery. Online mode opened several avenues for all those involved in teaching-learning. We were able to connect with many professionals from the field with whom we were not able to earlier because of distance issues. Rawal College of Education (RCE) adapted to the online mode and exposed its students to a wide range of professionals to expose them to wider horizons.

BEYOND THE CLASSROOM

RAWFEST 2K20 A TECHNO-CULTURAL FIESTA

The annual Techno-cultural Fiesta was organised on 29th February 2020. Sh Raj Nehru, Vice Chancellor – Shri Vishwakarma Skill University was the chief guest for the occasion. Dr Mahima Bakshi a model & actor and RJ Manav from radio city FM were the special guests. It was a spectacular event with participation of a large number of students from 35 colleges and 6 universities. The Techno cultural fiesta comprised of varied range of technical and cultural activities. Students from Engineering, Management, Education and Degree colleges participated in the event. This was followed by performance from Mannat Band. Students enjoyed on the music by DJ Prikha and DJ V-Vake.

FESTIVITIES IN 2021

The campus without students owing to COVID 19 restrictions was dampening - but that's how things could have been amid the conditions. We celebrated different festivals and occasions to bring cheer and spread joy.

SPORTS ACTIVITIES

Rawal Institutions believes that playing sports has important lessons of life for students like importance of teamwork, accountability, self-confidence, responsibility, and self-discipline. They prepare students to face the challenges of life. We keep engaging in such activities. Rawal Institutions hosted universities and colleges from Faridabad, Gurugram, Palwal, and Mathura for the 2nd Rawal Premier League on 9th & 10th April 2021. G.D.Goenka University, Sohna won the Football tournament and Rawal Institutions was runner up. Woodrock College was the winner in the Volleyball tournament.

A friendly T-20 Cricket Match was played between RIM & RIET on 3rd December 2021. RIM won the match by 6 wickets. Vivek was declared Man of the Match & also awarded with Sixer King for hitting five massive Sixes during his knock.

COMMUNITY OUTREACH

Higher education institutions owe their responsibility to the local community by engaging in extension activities. Rawal Institutions makes efforts for community outreach. Sahyog, our social welfare club regularly organises such activities. Swatchhta Abhiyan was organised in the campus of Government Senior Secondary School, Ferozpur Kalan by the team of Rawal Institutions. In the same spirit, a tree plantation drive was carried out in the premises of Skirona, Police Post. Besides, planting trees, the staff engaged in general upkeep and maintenance of lawns of the same.

ATMANIRBHAR

With a vision to make the youth atmanirbhar through skill-based education and thus make the country Atmanirbhar Bharat, Rawal Institutions made a modest effort by introducing Skill Based Certificate Courses for the local community. The courses were thoughtfully designed keeping in mind the needs, employment opportunities, and institutional expertise among other factors. The certificate courses are Basics of Computer Hardware & Software, Basics of Electrical Training and Basics of Fitter & Welding Training. The valedictory ceremony was held in the presence of Prof. (Dr) R. S. Rathore, Registrar, Shri Vishwakarma Skill University, Haryana as Chief Guest. The programme was attended by Principals of all the participating schools and students who completed different skill based certificate course. Prof R.S. Rathore felicitated the top performers of the courses, and encouraged the efforts of the students. He applauded the efforts of Rawal Institutions for organising such programme and contributing to the spirit of skill based education, which is the need of the hour and on lines with NEP 2020.
